2012							

This is your collection calendar for household waste and recycling. Please make sure that the correct bin is on the kerbside by 7.00am on your collection day. If we need to change your collection day, **we will let you know.**

Please recycle as much of your household waste as you can. Don't forget, you can recycle larger household items, heavy garden waste and electrical goods at local recycling centres.

Remember if you have a brown garden waste bin this will be collected on the same day as your blue recycling bin.

Note: Service changes coming soon. You will receive information and a new calendar through the post regarding these changes.

Thanks for doing your bit to help us recycle more.
